Understanding the new

Michigan 90-Day Pre-Foreclosure Negotiation Law

Heather and Moonson have been local housing counselors since 2006 and members of the Michigan Foreclosure Task Force since its inception in 2007. They will explain the impacts of the updated Michigan law regarding the mortgage foreclosure process, focusing on implications for lenders and homeowners. They'll also lead a discussion about the history of the housing crisis and its effect in Washtenaw County.
