Brief Tour Description: This tour will trace the history of an American President dating back to the 1860s and will give you the opportunity to see a working cattle ranch and to learn about how LBJ's political life affected the lives of his Hill Country neighbors and about the lifetime achievements of Mrs. Johnson. Then on through the scenic Hill Country to the charming German community of Fredericksburg; once the edge of the frontier and home to brave German pioneers.

Lunch is on your own at any one of many restaurants that feature authentic German culinary specialties. There will be plenty of opportunity to enjoy shopping and browsing in the quaint antique shops.
