

CREDIT PROFESSIONALS INTERNATIONAL

May 2, 2026

Dear members:

The Annual Meeting is coming up in 9 days, so thought I should let you know a few things about what is going to happen,

Most people will be arriving on Monday, May 11, with the meeting beginning on Tuesday, May 12 at 9am. I hope that those who cannot attend in person will try to attend via **ZOOM**. **The meeting: ID# 8041675862** and the **password 947399**. This meeting will last from 9 am until 11:30 am. We then plan to break for lunch until 1 pm, if this time is needed for our business meeting, until 3 pm. Our Banzai representative will be attending via ZOOM at 11:00 am to inform us of what we have invested in the schools and any new programs that are available. We do not have any ZOOM time set up for Wednesday, so hopefully everything will be concluded on Tuesday.

The Annual Meeting will be held in the CPI hospitality suite because the hotel is doing some renovating and the regular meeting rooms are not available. You will be advised as to what room that is when you check in.

Water will be provided, so if there is something special you want to drink or eat, please bring your own. Some snacks will be provided. Our plans for lunch are to go to the nearby Bandana restaurant, and all persons will pay for their own meals.

If you wish to see the agenda schedule, it is posted on the CPI website. Also, the documents for the meeting can be accessed on the website home page or

[**CPI Annual Meeting**](#).

We are looking forward to seeing you in St. Louis, it is always great to see all our friends.

If you have any questions, please do not hesitate to call or email me.

Sincerely,

Barbara Hall, CCCE, MPCE

CPI Executive Director
