

## CREDIT PROFESSIONALS INTERNATIONAL

March 10, 2026

Dear Members:

The Annual Meeting is coming in a couple of months. It will be held at the Drury Inn at the Airport in St. Louis, Mo. on May 11-14, 2026, The Annual meeting will be held on Tuesday, May 12, starting at 9am. We hope to have the meeting completed by 4-5 pm or before. If you would like to stay over on Wednesday, there may be some plans made to tour or see some part of St. Louis. We will need numbers to accomplish this. If you are interested, please advise as soon as possible.

The hotel registration for your reservations is available until **Wednesday, March 25, 2026**. You may call **1-800-325-0720** and our group number is **10178380**. Please make your reservations now, we are looking forward to seeing you then. Please let me know if and when you have registered. We will again pay each attending member for two hotel nights, which is why I need to know how many are attending.

If you are unable to attend in person, please join us via **ZOOM**. It will be available on Tuesday, May 12, from 9:00 AM for as long as it takes. There will be a break for lunch, but you will be informed, so you can join us after lunch. The ZOOM attendee information is meeting ID **#8041675862**. We are hoping to get all the business done on Tuesday, but in case we cannot, we will have Wednesday to finish up the business of the association.

The agenda for the meeting will be sent out in early April. That will be the time when I will need all information to get the folders printed and put together for those who are attending.

A request for any person that you would like to be included in the memorial service would be appreciated **as soon as possible**. Please include the name, the date of death and the relationship to you. Our deepest sympathy to all of you who have lost a loved one this past year.

If there is anything else that you would like to know about or have a suggestion or comment, please do not hesitate to contact me.

Barbara Hall, CCCE, MPCE

Executive Director, CPI
